*"Despite the many benefits of the SAFETY Act, it remains one of the most underreported and underutilized success stories for DHS and for our nation at large"*

*- The Homeland Security & Defense Business Council, November 2008*

***If your organization uses, provides, buys, sells, deploys or is otherwise involved with terrorism detection, prevention or mitigation, it is critical to know how you can benefit from the unprecedented immunity, liability caps, defenses and other protections available under the SAFETY Act***
